Presented by the  
Class of January 1954  
WEST SIDE HIGH SCHOOL  
Newark, New Jersey

# Prayer for Peace

May Thy will come to annul wars and the shedding of blood from the universe and to extend a great and wondrous peace throughout the world. May it come to pass that never again shall one people raise the sword against another. Through our faith in Thee let the arts of war be cast from the minds of men.

Let all the peoples of the earth recognize and know this, Thy innermost truth: that we are not come into this world for quarrel and division, nor for hate and jealousy, contrariness and bloodshed but to live in the peace of Thy blessings and bounty, to honor Thy name and that of the goodness of all mankind.

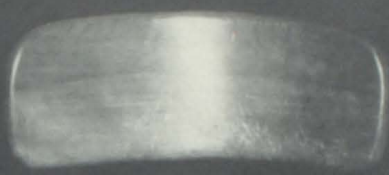

We ask Thee to let Thy presence be felt and Thy counsel be heard in the assembly of nations that man through Thy divine intervention shall seek to eradicate the scourge of war from the face of the earth.

Amen.

PRINCIPAL

When a student enters the massive gate leading to the Yard of Harvard University, he reads on the archway of the gate the words: "ENTER TO GROW IN WISDOM". When he leaves the Yard, on the reverse side of the archway of the gate these words meet his eyes: "DEPART TO BETTER SERVE THY COUNTRY AND THY KIND".

Our official records at West Side show that many members of the Class of January 1954 have grown in wisdom as indicated by academic achievement. But school grades are not alone a measure of achievement. Many of you have excelled in extra-curricular activities which contribute to the wisdom of community living.

As you leave the portals of West Side, we know that you will serve loyally your country, as have those West Siders who have gone before you. It is our hope and belief that in the more personal sphere of our community life you will contribute to the happiness and the welfare of your neighbors and fellow citizens.

## School Song

*In the morning light and evening fall,  
Through all the days of coming years—  
In times when glowing futures call—  
In hearts with laughter and with tears,  
Our love for you will never die,  
Oh, Alma Mater, West Side High.  
Our love for you will never die,  
Oh, Alma Mater, West Side High.*

*This love we have for you has grown  
More bright than any treasured gold,  
It deepens through each friend we've known.  
Each truth that to our hearts is told.  
Within the shelter of your walls,  
Within the rooms where wisdom calls.  
Our love for you will never die,  
Oh, Alma Mater, West Side High.*

*Though we have need to wander far,  
Close in our hearts your name will be.  
Your goodness, like a radiant star,  
Will rise with every memory,  
And having these sweet dreams of you,  
We shall remember and be true.  
Our love for you will never die,  
Oh, Alma Mater, West Side High.*

*In mornin light and evening fall,  
Through all the days of coming years,  
In times when glowing futures call,  
In hearts with laughter and with tears,  
Our love for you will never die,  
Oh, Alma Mater, West Side High!  
Our love for you will never die,  
Oh, Alma Mater, West Side High!*
